Dedication

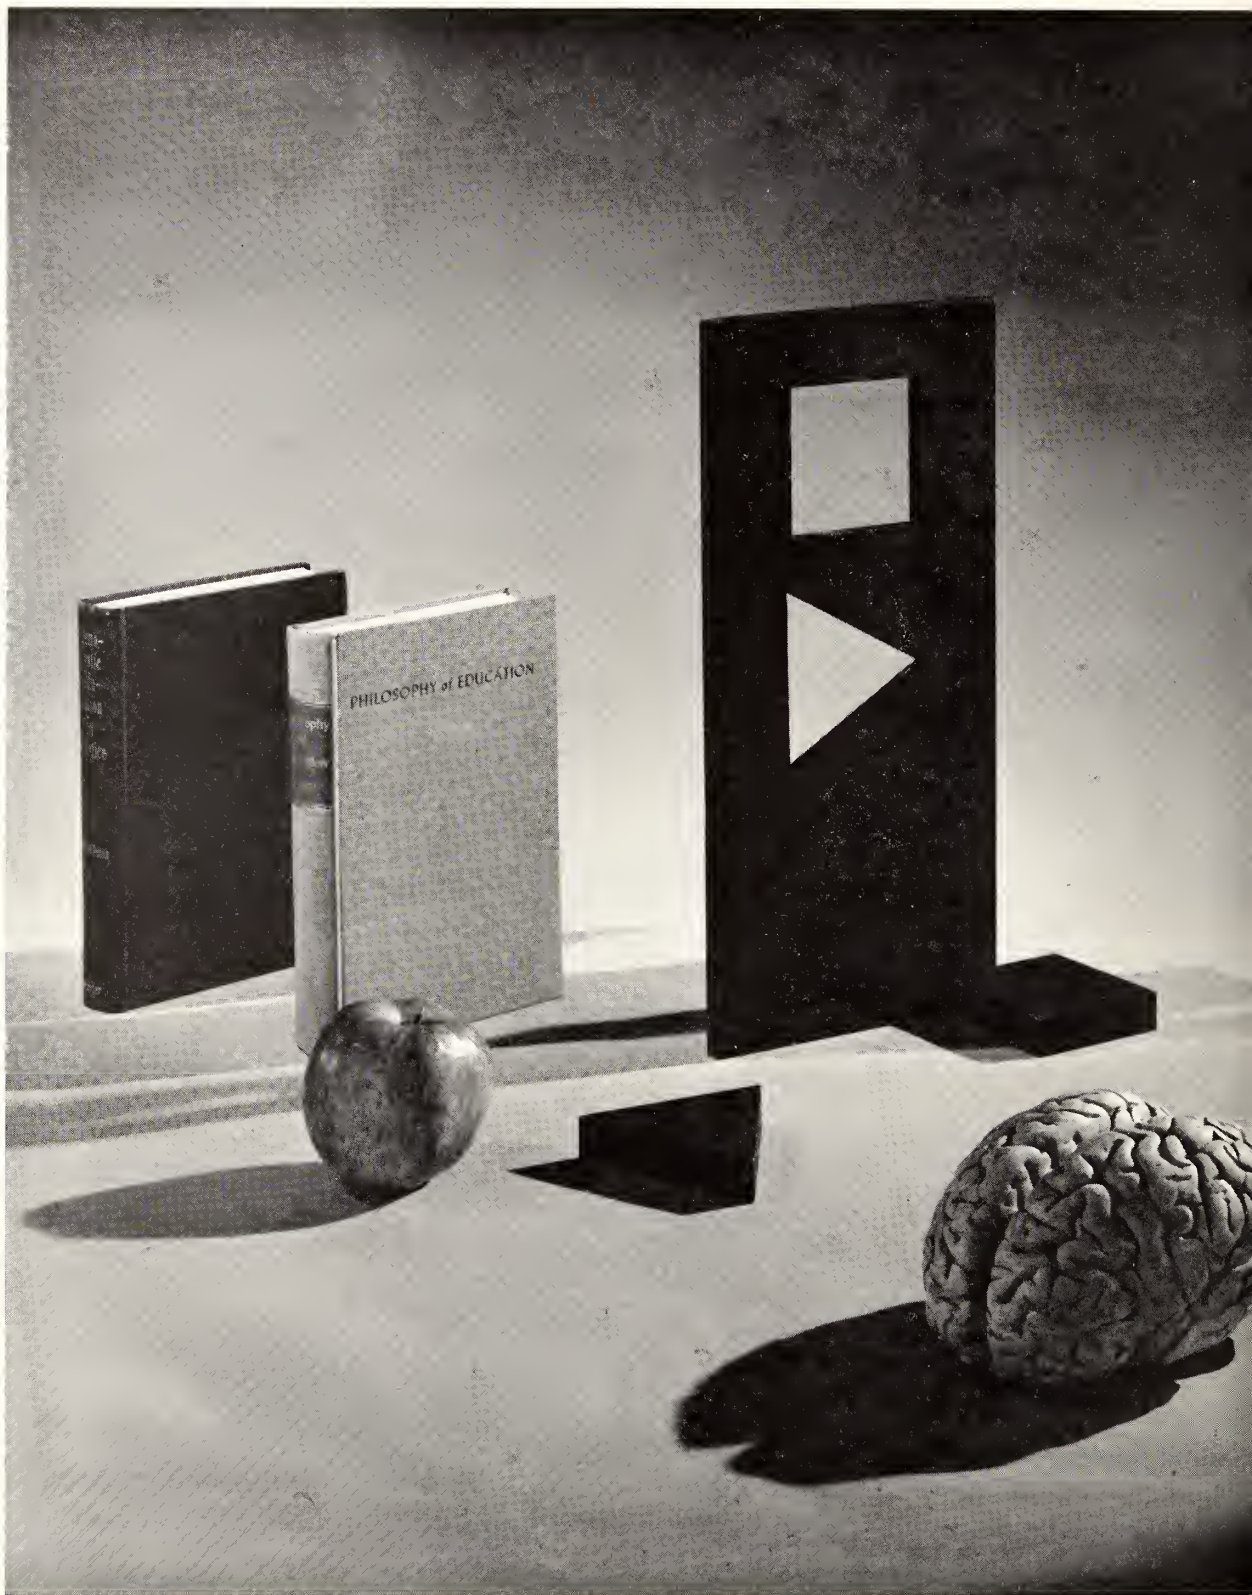

A close friend of all who knew her, and a shining example to those who never met her. Thus lives the memory of Miss Louise Leonard, who gave as only the very finest have given. Unselfishly and untiringly, with only the hope of aiding the welfare of our students and education in general, as her goal, Miss Leonard was always ready to take on any problem which might come to her attention. Her love for the students and her interest in their problems was so great, that her name is still on their lips. No student, even today, attends Fairmont State without hearing over and again of her work on this campus. No student misses hearing of the richness of her life, or of the kindness and sincerity of her deeds.

Thus lives the memory of Miss Leonard, who gave as only the very finest have given.

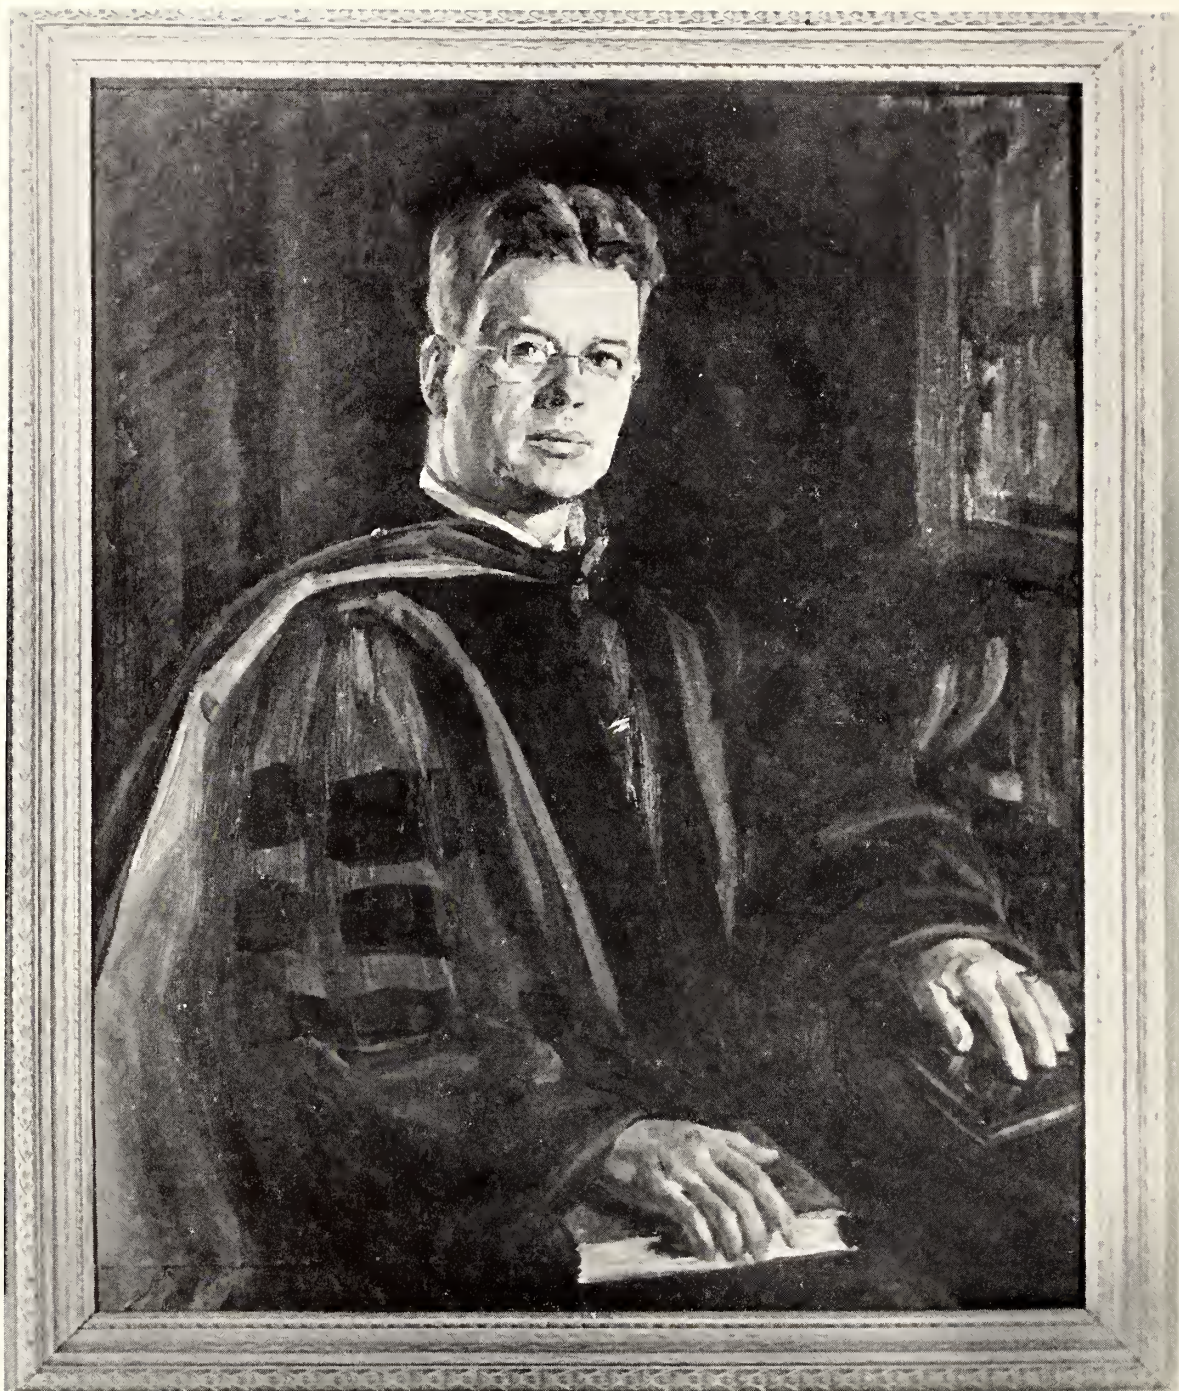

Miss Louise Leonard

The Faculty

Dr. George H. Hand

This year, along with the graduating class, Dr. Hand looks back upon four active and pleasant years at Fairmont State. To him go the best wishes due any "Senior".

DEAN PENCE

Known as the schools "foremost faculty member" Dean Pence respected for the use of his extensive knowledge for the betterment of the school, its administration, its students, and its friends. His efforts and achievements in the field of education have not been in vain, a fact that is made plain by the admiration that he receives in any group. He is not only honored by his fellow faculty members, but he is held in high esteem by the student body.

MISS BAYLEY

She can easily be classified among the old-timers on the hill, although she has only been here three years. Her assistance and advice in the reorganization of the Womens Pan-Hellenic placed her "tops" with the girls' organizations on the hill. Her efforts in organizing the Freshman Counsellors won her a place in the hearts of still more of the students. By now, the mere mention of her name will bring statements reserved for those who are held in the highest respect by any student body.

DEAN TURLEY

Without the patient and steady efforts of Mr. Turley, the efficient operating standards of FSC would never have been maintained. Although the many small details such as veteran affairs handling, or assistance with the many problems which confront the students on the Hill never really "make headlines", they are important to the welfare of the college. When small but important problems must be dealt with, Mr. Turley can be depended upon to carry them out with a precision and definiteness that is his nature.

The Deans

John W. Pence, Dean of the College
Eleanor R. Bayley, Dean of Women
George H. Turley, Dean of Men

No school, no graduating class, no student body is ever any better than its faculty. When proud parents see their offsprings as grown men and women receive a diploma, when a young man or woman takes his or her first step towards a successful career, then they should stop and think of, and give thanks to, the members of the faculty who assure such successes.

Considering the bad publicity given the teaching profession in the last few years, one might wonder just why so many have stayed with the schools. It has all been written down a number of times. Such phrases as "... a feeling of accomplishment ..." or "... a love for the work ..." may be trite, but they are never the less true

FAIRMONT COLLEGE LIBRARY

The Graduating Class

It's 1949, there are rumors of hard times in the air, hints of world-wide disturbances, stories of coming conflicts, but somehow they didn't bother the students who walked up the stairs, and across the stage to receive the diploma for which they had worked so hard. From somewhere they had picked up an air of confidence, sometimes tritely called the American spirit. Somehow that doesn't quite fit. It's simply the fact that they know what they want, they know that they will have to work hard to get it, and all they ask is an even crack at the world. If the rest of the world can turn out citizens such as those who wore the Mortar boards this year, the coming generation can easily outshine their predecessors.

With three-fourth's of the battle won, most of the class of '50 is in its glory. As one ex-Junior was heard to say, "Look Ma, only one more year to go". And they have good reason for their exuberance. They have a good year behind them, and a good one to look forward to. To them will fall the duty of holding up traditions of FSC. It's up to them to break in the new Freshmen. It's their job to see that Fairmont State continues to turn out men and women of the truly fine Fairmont State caliber.

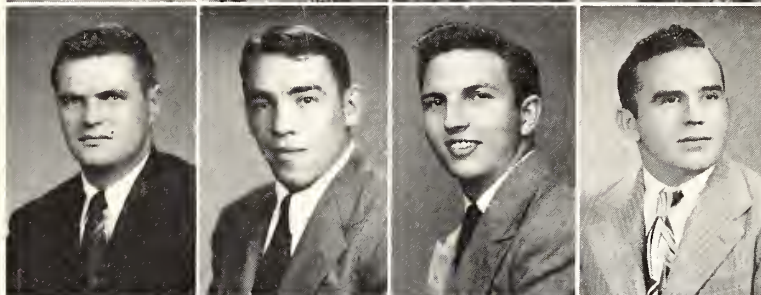

A quick glance around shows no one who is worried about how things are going to be handled next year. They're not only following in the Seniors' footsteps, they may be just a few strides ahead of them.

Sophomore Class

The Sophomore Class is usually rated by its Dad's Day parade, and this year, as in the past, they rate an "A". Ask those who saw it from the inside, and you'll hear them all agree that it was an honest to goodness "bang-up" affair. To those who were in on the thing, step up and take the credit that is yours. Next year, bigger and better activities will be expected from the new Juniors.

The "Dreaded" Freshman Court, the nemesis of all freshmen "college Hot-dogs."

Is it even necessary to state that her name is Betty Cole? We think this picture speaks for itself.

Freshman Class

They were a good group, last year's Freshmen. They did their duties as they were presented. The proper number of bird cages were worn in the proper manner. The brass rail in the auditorium was kept well shined. The victory bell was polished, and the sandwich signs were worn correctly. They even carried out the punishments given to them by the Freshman Court.

And now that's all over. The students of the old Freshman Class are now full-fledged members of the student body, with all rights and privileges thereof. They can sit back and tell the tall stories that are always told of what a horrible thing it is to be a freshman.

Now that they have proved their worth, they can turn their efforts to making their mark as an upper-classman, and take a more active part in the events that make Fairmont State College a school that has a right to be proud.

2nd Row: Joe Lobuts, Frank LeDonne John Cresson.

The Student Council has worked diligently this year to attain their goal; that is to make Fairmont State a better place to receive an education. In addition to carrying out their regular duties of assuring cooperation between administration and the student body, the student council has brought to Fairmont State a number of important events. Among these was the student mix, held early in the school year to help the incoming students to know our school. On December 13th they sponsored the Santa Claus Shuffle in Colebank gym. It was with the cooperation of the student council that Mr. William L. Shirer, well-known speaker, was brought to Fairmont.

In May they topped the social season by bringing to this campus Hal McIntyre and his orchestra, one of the most popular orchestras in the country. It goes without saying that the student body sincerely appreciates the efforts of this hard working group.

Leading the Council in their work were Jack Haugh, President; Yvonne Richards, Vice-President; Dot Horton, Secretary; Hilda Roberty, Treasurer; and Flint Ballouz, Sergeant-at-arms.

"More copy" or "Don't forget the deadline" are familiar cries heard in the Journalism Lab this past year. Besides each student receiving an issue, former students and faculty members keep up with the life that was so familiar to them. Hundreds of schools, large and small, exchange publications, offering new ideas and improvements. Each phase of college life is covered in this publication as an eager staff plugs on. Through the years it has emerged as a symbol of student initiative and ability.

Freshman Counsellors

Although this is only the second year of existence for the Freshmen Counsellors, they have already proved their value. Their purpose is to aid in the orientation of the new students during Freshman Week, and to act as guides and student advisors on Senior Day when senior students from local high schools visit Fairmont State.

Their own orientation and training program was this year at Camp Pocawu near Kingwood. Here, besides swimming, dancing, and singing, the students learned the duties of their new positions.

On Monday of Freshman Week every Counsellor was on hand to greet the new students and furnish them with a complete program of entertainment and helpful advice. The Counsellors presented a program in the auditorium, assisted the freshmen in registration, introduced them to the various advisers, and sponsored a dance in the gym as part of their efforts to see that the new students became completely acquainted with Fairmont State.

No reader should get the idea that it is all work and no play. One has only to ask any counsellor the password of the group and he will whisper back, "Back to Pocawu."

Lambda Delta Lambda

This year was the re-organization of the Lambda Delta Lambda. This national Honorary Physical Science Fraternity was founded on the Fairmont campus some twenty-four years ago and since then has spread to campuses all over the United States. During the war Lambda Delta Lambda lost its members and dwindled to inactivity. It was during this year that re-organization took place under the leadership of Dr. Robert L. Carroll, Dr. R. P. Ward, and Cleo Haught.

It is the purpose of Lambda Delta Lambda to provide fellowship for students interested in the physical sciences and to bring about the circulation and publication of the members own research findings.

The members have had lectures by faculty members of other campuses in addition to the theories of Dr. Carroll.

Membership in the fraternity is open to any student having the required number of hours in the physical sciences.

Officers of the fraternity are Elton Curry, President; Charles Robinson, Vice-President; John Brady, Secretary; James Bavely, Sergeant-at-arms.

Those initiated by the Gamma chapter of Wilmington College are Leo Kubiet, Louise Andrick, Ralph Raspa, Brent Snodgrass, Paul Mazza, James McCloskey, Ray Miller, John C. West, Elinor Dixon, Yvonne Richards, and C. R. House, Jr.

The Blazers

Selection for the Blazers is the highest honor that can come to a senior girl at Fairmont State. Selection is based first on scholastic average, then on leadership and participation in school activities.

As pictured the Blazers are, left to right, Eleanor Judy, Yvonne Richards, Carol Jo Keister, and Miss Eleanor Bayley, the Blazer adviser.

Home Economics Club

Although not too well publicized, the Home Economics Club has been very active this year. Early in the school year they sent boxes of food, clothing and sewing material to England through the aid of an exchange teacher. Special boxes were sent at Christmas time, and during this time the club studied different types of foreign foods.

At some of the club meetings, lecturers from commercial organizations presented lectures to the club about the different phases of home economics and the vocations connected with this field.

Some of the events in which there was public participation were the tea for the women faculty members and the style show presented in the department on May 14. All the costumes at the showing were made by the students.

The local organization was honored this year by holding the offices of presidency, secretary and advisor of the State Home Economics Club.

Splashers

If a girl is interested in swimming, she will naturally be a candidate for the Splashers. Membership is limited to those girls who have an active interest and proved skill in water sports. They meet in the pool at Colebank gym where they can display their prowess at water sports and learn new forms and techniques. During each year the Splashers sponsor a swimming party for the entire student body, and present a water carnival as a climax of their activities.

Officers of the Splashers are Dot Horton, President; Mary Jo Massei, Vice-President; Anita Tiano, Secretary-Treasurer.

Women's Athletic Association

This organization is open to all regularly enrolled students who profess an interest in athletics. As part of their activities they organized play days for colleges and high schools. One of the main activities of this school year was a trip to Pennsylvania College for Women where they engaged in competitive sports.

On recognition day the Womens Athletic Association awarded medals to girls who were outstanding in intramural sports and other athletic events.

In May some of the members of "Buenos Vecinos" presented a Spanish variety program at Mannington High School. This program was complete even to the detail of costume.

The Spanish Club officers are: Ann Fondaw, President; Mary Ann Gidel, Vice-president; Rose Debato, Secretary-Treasurer.

A noted speaker and authority is chosen as the guest leader of this meeting. The Social Science Club program was climaxed with a picnic at the home of Dr. C. A. Lindley.

Morrow Hall

Morrow Hall was the home of 72 girls this past year with Miss Winnie Crenshaw as director, and Miss Edna I. Miller as dietitian.

Social activities began with the Freshman Tea where all freshman students on the campus were entertained. Following was the Pan Hellenic and Christmas teas, entertaining faculty members and women students.

The girls entertained the men students with two open houses and highlights of the year are the Christmas and Spring Formals.

Women's Pan Hellenic

The Women's Pan Hellenic is an inter-sorority organization dealing with the problems of inter-sorority relations. It is composed of two representatives from each sorority, and the president. Their main concern is the regulation of rushing rules on the campus.

The highlight of their social activities is the Pan Tea held at Morrow Hall for all freshman girls.

Men's Pan Hellenic

After their first year as an organization on this campus, the Men's Pan-Hellenic can well be proud of their efforts. Their purpose is to provide rules for inter-fraternity regulations and promotion of cooperation between fraternities. They have done well in this respect besides completing their own project. Again for their project the Men's Pan-Hellenic took upon themselves the task of publishing an up to date directory of the faculty, staff, and students of Fairmont State.

Presiding officers of the Men's Pan-Hellenic are: Harry Shaver, President; Don Campbell, Vice-president; and Cliff Boylan, Secretary-Treasurer.

Band

The Maroon and White Band has had a busy year. One of their biggest jobs was presenting band concerts to every high school in Marion County plus Shinnston, Clarksburg, and Grafton. In addition to this they attended the 22nd Apple Blossom Festival in Winchester, Va.

Several transcriptions of the band were made in the FSC recording studio and presented over Campus Highlights. At the beginning of the school year a concert was given for the new freshmen in the gym.

The director of the Maroon and White Band is Albert Greco; the concert master is Alan Staton; and the manager is Jack McConnell.

Fu-Se-Fa

A new entry to the Mound this year is the Fu-Se-Fa Club. The English translation of the title is Future Secretaries of Fairmont. The organization was founded in the spring of 1947 under the guidance of Dr. Marjorie Hunsinger, instructor of Office Administration at Fairmont State. The club was formed as an aid, both in social and professional to students of Office Administration.

In addition to providing social activity for the Office Administration students, the Fu-Se-Fa has numerous contacts with the business organizations of Fairmont. These enable the students to keep abreast of things in the business world and to bring to Fairmont State numerous displays which are of great interest.

The Fu-Se-Fa social activities, although small in number, were not lacking in quality. Among their activities this year were a picnic at Rock Lake, a Christmas party held on the campus, and a dinner at the home of one of the members.

Officers for the Fu-Se-Fa are Mary K. Simpson, President; Joan Trotto, Vice-President; Mary Ellen Radebaugh, Secretary, and John Cresson, Treasurer.

Athletics

JASPER COLEBANK
Director of Athletics

The unexcelled conduct of good sportsmanship has been a dominate feature of the athletic code on the Fairmont sports scene for many years. This has come about largely through the tireless efforts of Mr. Colebank who has guided the destiny of Falcon athletic teams since 1924. His name has become a by-word throughout the state for his varied accomplishments and capable leadership.

WILFORD "Squib" WILSON
Head Coach of Football,
Basketball, and Baseball

Succeeding Mr. Colebank as head coach of the three major sports in 1940, Coach Wilson has continued the process of turning out powerful athletic teams. This season, one of the most successful in the history of the college, was climaxed when "Squib" directed his basketball charges to an impressive victory in the West Virginia Intercollegiate Conference tournament. This was the first time that Fairmont had ever captured the tourney, and it reflected the ability and increased the prestige of its deserving coach.

As It Happened

The opening of the '48 football season came off in brilliant fashion as the Wilson coached machine capitalized on the first play from scrimmage for a touchdown and went on to down the Pioneers of Glenville, 19-7.

The West Virginia Techmen came to town the next week and a terrific defensive battle ensued throughout the entire game. Late in the final stanza, with State leading, 3-0, Tech climaxed an 80-yard drive to down the fighting Falcons, 6-3.

Local fans witnessed football at its spectacular best when the Maroon and White tangled with the West Virginia Freshmen at East-West stadium. Featuring sixty minutes of intensified play, the Frosh finally put the game on ice in the fourth quarter to capture the verdict, 12-7.

The next game brought Bethany to town and the Falcons displayed a sterling offensive and defensive performance to brand the northern panhandle "Bisons," a 27-7 defeat.

On the road for their next encounter, the Fairmonters suffered a heartbreaker to the Wesleyan Wildcats, 20-14. Playing in a continuous downpour of rain, both teams were amazingly effective with their scoring thrusts, and the outcome of the game was mere speculation up to the closing moments.

Unleashing a powerful ground attack, the F.S.C. footballers regained the victory road by trimming the Concord Mountain Lions 18-13. Entering the enemies lair as the underdog, the local combine disregarded press notices and quickly tallied a field goal, two T.D.s., and racked up a safety in the second half for good measure.

The Falcons bucked the Shepherd Rams all over their own pasture but fell victim to penalties which nullified several scoring opportunities. Though the Wilson men led the statisticians column by a lopsided margin, the best they could garner on the scoreboard was a 7-7 tie.

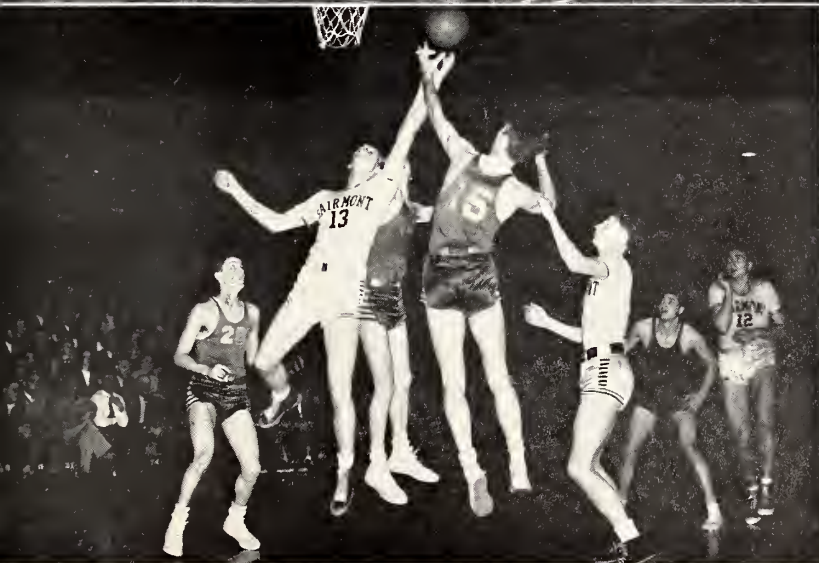

Facing the Salem Tigers in the years final, a hard charging Falcon aggregation treated a Dad's Day following to a raging duel that swept up and down the gridiron for four quarters. With crazed fans standing on their seats, and only seconds left to play, the Falcons clawed to within striking distance and took to the air, but the whistle sounded giving Salem a one point verdict, 7-6.

B A S K E T B A L L

Dressed in "Tommies" and "PJ's", the Morrow Hall girls rushed from the dorm and rang the Victory Bell seventy-six times. Once for each point the Falcons scored in defeating West Virginia Tech to gain the West Virginia Intercollegiate Conference championship. Registering first round and semi-final wins over West Virginia Wesleyan and Alderson Broaddus, the Falcons took on the Techmen with the precision that only comes from twenty-six previous games of coordinative effort and decided the issue, 71-62. The splendid cooperation and ability of the players and the coach were obvious and extremely impressive during the tourney play.

STAN SAGATH—Senior—Tarentum, Pa.

Stan Sagath, outstanding all-conference forward, ended his brilliant collegiate hardwood career by rewriting the record books. The Tarentum Terror scorched the nets for 44 points in one game to set a new mark in that department, and established a new high for Fairmont scorers by pumping in 547 points this season. This brought his four year total to 1,653 points.

BILL BLOSSER—Senior—Fairmont, W. Va.

Playmaker for the Falcons was Bill Blosser, whose uncanny control and steady composure paced the fast flying quintet in every game. An all-conference selection, Bill left nothing to be desired in the way of an ideal sportsman and competitor.

CECIL NICOLA—Junior—Grafton, W. Va.

The bulwark of defense was Cecil Nicola, whose terrific rebound work kept towering opponents helpless. "Nick's" ball-hawking ability sparked numerous rallies while his accurate "one-handers" and "tip-ins" accounted for 295 points.

EMIL GUFFA—Junior—Monessen, Pa.

Only a few points behind in the scoring column was Emil Guffa, whose "impossible" hookshot from all angles totaled 528 counters. His impressive floor play and timely point producing provided the margin of victory in many games throughout the season.

IKE OWEN—Sophomore—Follansbee, W. Va.

Ike won a starting berth this season and proved his worth by flipping in 309 points. His sterling performance in the state tournament contests remains one of the outstanding feats of the year.

COTTRELL SCHMIDLE—Freshman—
Kingwood, W. Va.

"Cotch" gave notice this season of what to expect of him in future basketball wars. His height and "eagle eye" were the means of his steller brand of ball, and will be a valuable asset to the team next year.

JOHN McDEVITT—Junior—Newell, W. Va.

An exceptionally clever ball handler, "Devitt" steadily improved as the season progressed. His gifted eye and technique of play were impressive in every game he played.

JOHN DIAMOND—Sophomore—Cumberland, Md.

Hitting his stride at mid-season, Jack developed into an aggressive type of basketeer. His chief weapons were flashing speed and a highly effective "one-hander" from the foul line.

JIMMY CALE—Junior—Fairmont, W. Va.

Jimmy was another of Coach Wilson's capable reserves who saw much action during the season. He was depended on at long range with his exceptional set-shot ability.

JIM LIPINSKI—Junior—Monongah, W. Va.

Jim Lipinski proved his worth in a reserve capacity this season by hooking in numerous shots from close in. Showing amazing agility for his size, "Big Jim" took advantage of his height for considerable ball-hawking.
